The Covered Bond Label increases its presence in Germany with Hamburg Commercial Bank AG joining

Brussels, 29 June 2022 – For immediate release

The Covered Bond Label Foundation (CBLF) is pleased to announce that Hamburg Commercial Bank AG has joined the Covered Bond Label, which now counts a total of 119 issuers and 152 cover pools.

Commenting on this development, Luca Bertalot, Covered Bond Label Foundation Administrator, said:

"With the approaching 8 July deadline for the transposition of the Covered Bond Directive into national legislation, we are delighted to welcome two covered bond programmes from Hamburg Commercial Bank to the Covered Bond Label Community.

With around EUR 2tn of covered bonds registered on the Label website, the value of the Label is once again confirmed as a quality benchmark for investors, providing detailed information on liabilities, cover assets, Harmonised Transparency Template (HTT) and legislative information, country-by-country, issuer-by-issuer, thereby facilitating investors’ due diligence."

The Covered Bond Label is a quality label, the purpose of which is to highlight the security and quality of covered bonds to investors and to further enhance recognition of and trust in the covered bond asset class.

The Covered Bond Label is open to all covered bond programmes that are compliant with the Covered Bond Label Convention and disclose their data by publishing the Harmonised Transparency Template (HTT). More information on all labelled issuers and the Label itself can be found on the Covered Bond Label website at www.coveredbondlabel.com.
